Choose your top two choices for the committee you wish to work in during the Y-MUN Program. **Label your choices 1 and 2 (with #1 being your top choice)**. When ranking your choices, consider the size of the committee, type of preparations necessary, and topics for this year's conference.

Remember that your delegation must be spread out through the different committees. Therefore, you will probably not be placed with many others from your delegation. Also, any committee marked with an asterisk(*) is a specialty committee. You cannot have a specialty committee for both of your choices.
