

# HUNTERDON COUNTY YMCA 2012 STRONG KIDS CAMPAIGN KICK-OFF THURSDAY, FEB. 9 • 7:00 pm DEER PATH GYM

The Y is looking for passionate members of the Y community to help lay the groundwork for our 2012 Strong Kids Campaign.

The success of the campaign is dependent on volunteers and therefore we are asking our members to get involved!

Your time and effort will help strengthen the foundation of our community and our future!

“From personal experience, if you are looking for an activity to feel good about, there is nothing more rewarding than volunteering for the Y and assisting us help others in our community.”
