About Adventure Guides....

The YMCA has a long history of providing fathers and children with the opportunity to spend quality time together. The purpose of this program is to foster understanding and companionship between father and child. Meeting / activities will be held on the third Sunday of each month from 3:30 – 5:00 pm at the Deer Path YMCA. YMCA staff members, volunteers and special guests will host each meeting. Meetings will include circle time for each child to share their latest adventure, stories, snack and an activity. (see the list below for activity schedule). In addition to monthly meeting special events such as camp outs, parades, parties and much more will be scheduled throughout the year.
